# How to pack the vacuum mattress Easy Fix Plus.

1. Open up all the belts.
2. Flatten the mattress.
3. Fold the side parts and the belts into the middle.
4. Place the pump at the chest.

1

5. Start to fold the mattress from the foot end.

2

6. Continue to fold the mattres so that it looks like the mattress in the picture.

3

7. The bag is cone-shaped just like the mattress.

4

Remeber to put it the bag in the same direction!
